

International Relations and Alumni Affairs (IRAA)

ISM in its endeavor to serve the cause of education and research is planning to step up the linkages with internationally acclaimed academic and research institutions alongwith fostering relations with the alumni who are the brand ambassadors of ISM nationally and globally. Under the astute planning of Shri P. K. Lahiri, IAS (retd.), Chairman, GC&EB and dynamic leadership of Prof. D.C.Panigrahi, a new position of Associate Dean(International Relations and Alumni Affairs) was created to give a start to this mission. The core committee and IRAA Group for driving the initiatives under IRAA are given below:

Core Committee

The core committee of IRAA constitutes of the following:

		
Prof. D.C.Panigrahi Director	Prof. V.M.S.R.Murthy Associate Dean (IRAA)	
		
Dr. Somnath Chattopadhyay Deptt. of ME&MME	Dr. Biswajit Paul Deptt. of Env. Sci.&Engg.	Dr. Biswajit Choudhary Deptt. of Applied Chemistry

For realizing the objectives and establishing new linkages an IRAA Group (represented by faculty members of different Departments) was formed and these members are the contact points related to IRAA activities from the respective Departments. One can reach to them to build new international relations and compile required alumni information. All the proposals will be piloted by them through the concerned Head of the Department. At the end of each year(31.03.20--) a concise report on the IRAA activities shall be submitted by each Department to Associate Dean(IRAA) for needful compilation.
