It has been decided by the Institute that in addition to some of the backlog courses, various DE/OE/ESO courses popular among students will also be offered during the Summer Semester starting from the Summer Semester 2021-22. The list of DE/OE/ESO courses which could not be offered to all interested students due to above mentioned restrictions was prepared and circulated among the departments. Based on the confirmation provided by the respective departments, the list of such DE/OE/ESO courses to be offered during the Summer Semester 2021-22 is enclosed herewith.
