11 August 2020

**NOTICE FOR UG STUDENTS (2019 BATCH) CURRENTLY IN 2<sup>ND</sup> SEMESTER**

**Pro-Rata Grading and Publication of Results for 2<sup>nd</sup> Semester UG Students of  
Winter Semester 2019-20**

The following modalities for pro-rata grading and publication of results for the 2<sup>nd</sup> Semester UG courses are approved in the 15<sup>th</sup> Senate meeting held on 08<sup>th</sup> August 2020:

- a. Pro Rata Grading will be performed for all the courses of 2<sup>nd</sup> semester except the following modular courses whose classes could not take place:
  - (i) Computer Programming (CS1101): Section E, F, G & H
  - (ii) Computer Programming Lab (CS1102): Section E, F, G & H
  - (iii) Numerical Methods (MCI103): Section A, B, C & D
  - (iv) Environmental Sciences (ESI101): Section A, B, C & D
- b. **Students of respective sections must take the above mentioned modular courses as an overload in the subsequent semesters to fulfill the academic requirement.**
- c. Online evaluation will be carried out by 15<sup>th</sup> August 2020 for the Practical courses if the evaluation was not done during the regular semester.
- d. To account for the probability of improvement in the post mid semester quizzes and the end semester examination, the Grade obtained as above will be bumped up by one stage, i.e., F to D, D to C, C to C<sup>-</sup> etc. In this case there will not be any change if the student has obtained A<sup>-</sup> grade. **Bumping up of grades will be performed automatically by MIS.**
- e. **There will be no bumping up of grades for the modular courses, which were completed and graded during mid semester examination.**
- f. The weightage of Winter Semester 2019-20 will be **reduced to 50% for the calculation of CGPA.**
- g. Winter Semester 2019-20 result will be declared on 20<sup>th</sup> of August 2020.
