

**INDIAN INSTITUTE OF TECHNOLOGY (INDIAN SCHOOL OF MINES), DHANBAD  
OFFICE OF DEAN INTERNATIONAL RELATION AND ALUMNI AFFAIRS**

Notification

12.10.2020

**Working Internships in Science and Engineering (WISE) • DAAD (Germany)**

**Who can apply?**

Students who wish to apply must meet the following criteria:

1. They should be enrolled in programmes which can be classified under the broad fields of engineering, mathematics and natural sciences.
2. They should be in the 5th or 6th academic semester of a 4-year Bachelor's programme

**OR**

3. In their 5th, 6th, 7th or 8th academic semester of a 5-year integrated or dual degree (Bachelor-Master) programme.
4. They should not be former recipients of the WISE scholarship.

**What can be funded?**

A research internship at a public or state-funded higher education institution or a non-university research institute in Germany to work under doctoral students, scientists or professors as a part of their ongoing research projects.

**Duration of the funding**

A 2 to 3 month research stay spanning between the months of **May and August 2021**. Internships of less than 60 days and more than 90 days cannot be supported under the scheme of this programme.

***Application Deadline: 1 November 2020***

**Value**

- A monthly scholarship of 750 euros for undergraduate students (the monthly instalment will be calculated on a daily basis, i.e. 25 euros per day)

- A lump sum travel subsidy of currently 1,050 euros
- Payments towards health, accident and personal liability insurance covered by DAAD

## **Selection**

The review of applications and selection procedure is based upon academic achievements and overall evaluation of the applicant's profile.

Results are generally announced by the beginning of February.

## **Further information**

1. The applicant must search independently for a German professor/guide, under whose supervision s/he could carry out her/his research. In the case of several offers, the applicant must select one internship.
2. Internships at private universities, research institutes or companies are not eligible.
3. Applicants must be of Indian nationality.
4. The applicant should be in possession of a valid passport by 1st December. The name on the application form must be identical with the one in the passport.

***Selected candidates are not allowed to draw funding from other German scholarship-awarding organisations or from other German public authorities simultaneously with a DAAD scholarship.***

**How to apply:** The students will prepare application documents as mentioned in the notification and DAAD site and forwarded through HOD complying institute rule/academic calendar and verified in International office before application.

**HOD will forward through DUGC/DPGC**
