NOTIFICATION

Subject: Revised guidelines to be followed for completion of the processes to conversion of Ph.D. scholars from JRF to SRF

It is notified that the following revised guidelines to be followed for completion of the processes of conversion of the Ph.D. scholars from JRF to SRF:

1) On completion of minimum two years and after satisfactory completion of Research Proposal Seminar within the stipulated duration, the scholar will be eligible for up-gradation from JRF to SRF.

2) The process of conversion from JRF to SRF shall be done only after completion of the specified minimum duration of Two Years based on the satisfactory presentation of the progress report on the research work by the scholar before the Doctoral Scrutiny Committee (DSC).

3) The DSC report in this regard must be sent to the Academic Section on completion of even semester (4th/6th/8th) and before commencement of odd semester (5th/7th/9th) of the scholar.

4) The scholar will be entitled to get enhanced fellowship, as applicable, on the basis of the recommendation of the DSC. And the date of implementation of the enhanced fellowship will only be from the date of DSC meeting or two years whichever is later.

5) No arrear of enhanced fellowship will be paid to the scholar under any circumstances.

The above cited modified process for changing the status of the Ph.D. scholars from JRF to SRF will be followed with immediate effect from the date of DSC recommendation.

However, for the 2019 and earlier batches Ph.D. scholars whose conversion from JRF to SRF has not been done till date, the DSC recommendation shall be received at the office of the Dean (Academic) on or before Tuesday, 15th February, 2022 failing which the DSC recommendation for conversion from JRF to SRF will be accepted only during the specified period cited above in Serial No.3.

This notification is issued with the approval of the competent authority.
