

## जागरूकता (Year of Awareness on Science & Health, YASH) “JAAGAROOKATA”

‘JAAGAROOKATA’ is an effort to educate and increase awareness about sustainable and healthy lifestyle practices through innovative ideas & techniques. This program aims to educate, enrich, and equip young children, teachers, and women with healthy lifestyle practices through scientific interventions such as games, science cartoons (scientoon), comics-based information materials, audio-visual programs, and clips. The Government of India will financially support the program, Department of Science & Technology (NCSTC Division) under the scheme “Innovation Technology Development & Deployment,” and it is facilitated by the Indian Institute of Technology (ISM) Dhanbad. The candidates can apply for the position of a research assistant.
