Format for Submission of Patent Proposal

I/We wish to apply for patent on the following invention:

1. Title of invention:

2. Name of inventor(s):

(Including external person/organisation)

Sl. No. Name(s)

3. Date of start of R&D work : Date Month Year

4. Level of R&D Work : Lab Scale/Bench Scale/Pilot Plant/Prototype Development

5. Status of R&D work : In Progress/Completed

6. IP Generated from (Tick one):

In house R&D/ Sponsored R&D/ Collaborative/ Other viz. Consultancy, Testing etc.

i) Details of source of funding :

ii) Details of permission received from funding agency, if needed, for patenting:

iii) Details of ISM infrastructure used:

iv) Details & extent of contribution of Departmental lab (consumables/non- consumables used):

v) Details of manpower utilized including contribution of faculty, staff & officers, if any:

7. Type of patent specification: Initial/Final (i.e. Provisional/Complete)

8. Short write up on the Patent along with complete specifications and diagrams (to be enclosed).

9. Certified that

- i) The subject matter of this invention has not been published or presented.
- ii) No one who has contributed to the invention has been excluded from the inventor(s) team.
- iii) The inventor(s) will provide further information and clarification as and when needed
(Please provide details of any patent (s) filed earlier through the Institute or personally).

Name of the inventor(s)
(Including external person/organization)

Signature of inventor(s) with date
