

Two days workshop on: "From Equations to Life: Mathematical Insights into Human Health"

**27th and 28th March,
2026 at IIT(ISM),
Dhanbad**

विज्ञान एवं प्रौद्योगिकी विभाग
DEPARTMENT OF
SCIENCE & TECHNOLOGY

About the workshop

The primary objective of this workshop is to create awareness among faculty members, research scholars, student about emerging scientific research areas in mathematical biology and their broader societal relevance and human health. By providing a platform for knowledge exchange and interaction with experts, the program aims to disseminate recent developments in scientific research and highlight the role of mathematics and interdisciplinary approaches in addressing real-world challenges. Furthermore, the workshop seeks to inspire and motivate young educators and researchers to pursue academic and research careers, encouraging them to contribute meaningfully to scientific advancement and the betterment of society. This workshop is funded by ANRF and NASI, Jharkhand chapter.

Speakers

Prof. Ranjit Kumar Upadhyay, IIT(ISM), Dhanbad

Prof. B.V.Rathish Kumar, IIT Kanpur

Dr. Subhamoy Mandal, IIT Kharagpur

Dr. Subhas Khajanchi, Visva-Bharati, Santiniketan

Dr. Gajendra K. Vishwakarma, IIT(ISM), Dhanbad

Dr. Umakanta Tripathy, IIT(ISM), Dhanbad

Organisers

Prof. R.K. Upadhyay, IIT(ISM), Dhanbad

Dr. Parimita Roy, Thapar Institute of Engineering and Tech, Patiala

Dr. Sevak Ram Sahu, IIT(ISM), Dhanbad, 7415752182

Debasish Pradhan, IIT(ISM), Dhanbad, 8018348921

Debadri Bera, IIT(ISM), Dhanbad, 8637379017

**Venue: Department of Mathematics &
Computing, IIT(ISM) Dhanbad**

**There is no registration fee. However,
please note that no TA/DA or stay will
be provided. Participants need to
arrange it on their own.**
