For order of more than Rs. 5,00,000.00 and up to Rs. 25,00,000.00 (Twenty Five Lakh), preferably limited tender enquiry should be floated by the indenting division among all the firms having rate contract with IIT (ISM) for similar type of goods to obtain sealed bids. Offered price in this case must be same or less than the rate contract price. For goods costing more than Rs. 25,00,000.00(Twenty Five Lakh), open tender is required.

If there is only one vendor of a particular type of goods, then direct order may be placed for the goods costing up to Rs. 5,00,000.00 (Five Lakh) on each occasion. For goods costing more than Rs. 5,00,000.00 (Five Lakh), limited tender enquiry may be floated by P&S section among available vendors (list to be collected by internet searches) is required.

However in all cases, final L-1 offered rate (either by way of open tender or limited tender) should not increase the rate contract price. If final L-1 offered rate is higher than the rate contract price, then order must be placed on the rate contract vendor (having lower rate than the L-1 offer based on tendering process) irrespective of indent value.

Even if rate contract exist, the indenting division may procure such items (available in rate contract) costing up to Rs. 2,50,000.00 from any other supplier, if price lower than the rate contract price.

**The above rate contract is valid till 31 December 2019.**
